

# Legendary Athletics

## 2025-2026 Half Season Cheer

## **Welcome!**

Thank you for your interest in Legendary Athletics! Legendary Athletics was started in 2011 and brought together two successful all-star programs – Lake Mary Allstars and Shine Athletics. Joining these programs, Legendary Athletics created a top-notch training facility focused on providing the best quality instruction in the areas of cheerleading, dance, and tumbling. We are excited to have your athlete join us on our journey!

## **What is half season?**

Half season teams offer less time and financial commitments compared to our full season teams, while still getting some benefits of a full season team. Our half season novice teams are for individuals who might be new to All Star but ready for performance-based teams or athletes with a passion for cheer that want to continue year-round. Novice teams focus on strengthening technique and performance skills that help prepare athletes for competitive All-Star teams and are evaluated at events. Athletes who try out will be placed on a team based on their current age and skill level. Our novice half season runs from December until the end of April 2025.

Tryouts:	Parent Meeting:	Eligible Ages:
December 11, 2025 5:30-7:00pm	6:30pm	Athletes born between 2013-2019

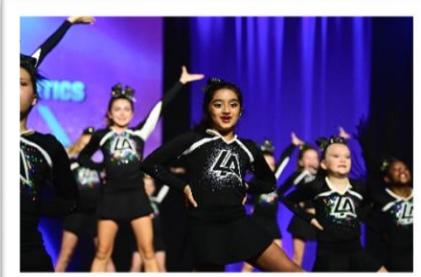

- Athletes will wear comfortable athletic clothes, hair in a high ponytail, athletic/cheer shoes.
- **Register in our customer portal. It is \$35 per athlete.**
- Registration will be cut off once we reach a certain number of athletes registered for evals per age group. **Paperwork MUST be completed and turned in by Tuesday, December 9, 2025.** No paperwork will be accepted after this deadline.
- Athletes can't make it to tryouts? Please contact the front office via email to schedule an alternative tryout time, [reception@legendaryathletics.com](mailto:reception@legendaryathletics.com)
- After the tryout date we will not be accepting any new athletes for our half season program.

## Tryout/Evaluation Process

Teams will be determined by the athletes who attend tryouts. Athletes' skills will be evaluated and depending on the skill level & experience at tryouts will help determine what teams we will have for the season. After tryouts are completed, directors & coaches will assemble teams and send an email to the primary address on the account for what team your athlete has been placed on by Monday, December 15, 2025. We are looking to offer the following age categories and levels for the upcoming season:

- Mini Novice – Level 1
- Youth Novice – Level 1 or Level 2

## Practices & Attendance

Half season teams will practice one day a week on Fridays for 1.5 hours. Due to the shorter season, all practices are mandatory. During the season extra practice may be scheduled. If so, there will be at least a weeks' notice regarding any additional practices. We understand that there may be unforeseen things that prevent your athlete from attending practice, however the 2 practices before a competition are mandatory and if you are unable to attend your athlete will not be able to compete. Certain Fridays may be rescheduled due to coaches traveling and dates will be announced in Band Apps.

## Communication

Our cheer program uses the Band App for team specific communication. We will also use the primary email address provided on registration paperwork to send out any emails.

## Financial

	Amount	Due Date
<b>Evaluation Fee</b>	\$35	When eval paperwork is submitted
